Dear

The Japanese Society Charity Golf Tournament, which will take place on Saturday, May 24, 2014 at Mariana Country Club. The number of participant is decreasing by year due to the on-going economy challenges that most of its members' are facing for the past few years. In spite of that, we are expecting approximately 60 participants to join the tournament and invitation will be extended to potential local golfers as well as tourists for advanced advertisement by respective golf courses. We believe extending an invitation to local community helps us continuous relationship to our Society.

The main purpose of this event is to help the Educational Department under the Japanese Society of Northern Marianas and provide better educational environment for our children. We'd also like to utilize this event for our members to regain the strength among its members and make an effort to succeed individual business in the CNMI for the future.

As the part of the charity program, we will be selling a raffle tickets to participants and conduct raffle drawing during the banquet to make it more attractive and exciting.

In this regard, we would like to request for your assistance in providing any type of in-kind contribution for this worthy event.

Thank you for your consideration. We look forward to hearing your favorable response soon. Should you have any question, please call **your name** at **phone number** or e-mail **email address**

Best regards.

Tetsuya Matsunaga
Chair man
