

Japanese Society of  Northern Mariananas

June 2, 2014

On behalf of the Japanese Society of Northern Mariananas, I would like to extend the most appreciation for your generous donation and contribution to the [2014 Japanese Society Charity Golf Tournament] which was taken place on May 24, 2014 at the Marinas Country Club.

We'd welcomed 40 participants from members as well as non-members. The event was given an opportunity to collaborate among golfers and was able to achieve raising the funds of more than \$2,500.00.

Once again, thank you for your continued support to serve better partnership to the community.

Sincerely yours,

*Tetsuya Matusnaga
