Dear Mr. Matsunaga,

Let's Walk for the **Red!**

The American Red Cross Walkathon is Saturday March 21st on Saipan, Rota and Tinian. The event, which kicks off at 6am, draws more than 3,000 people for a morning of exercise and great activities. In addition to the largest 10K walk in Micronesia, we also include a shorter 5K and a Headstart 2K course. The walk will showcase many extra special activities including a health fair with free blood pressure and glucose screening; games and face painting for the kids; petting zoo; cooking demonstrations; a Fire Department and Military "Big Truck" demonstration; various give-a-ways and of course lots of fun and excitement for the whole family. Refreshments and sandwiches are being generously donated by the Coke, Subway and Foremost group of companies.

We would really appreciate your help in promoting this healthy, family oriented event to your staff and or membership. The walkathon is an excellent opportunity for your organization to team build by encouraging your entire team at Japanese Association and their families to exercise together and support the humanitarian work of the Red Cross.

A healthy worker is energized and more productive!

Attached are the coordinators information sheet and pledge forms. If you have any questions please call the NMI Chapter at 234-3459 for more information.

Thank you for your efforts to make this year's event the most successful ever and I hope to see you on March 21st. Please come out and "Walk for the Red"
