RE : **JSTA Clean Up Drive**

Dear Friends from the Tourism Industry;

As always, I appreciate all your assistance and support to our association.

To our efforts to keep our islands clean and beautiful for our Golden weeks vacation visitors, I would like to announce you all for our second yearly clean up drive which is scheduled to conduct on Wednesday, APR.29 2015 at 06:30 a.m. The clean up site has been decided by its members from the Micro-beach to Chamolinian Affairs Office along the beach side & Town side. The JSTA would specially like to clean up all seaweeds that have been lying at the micro beach areas which create unpleasant scenery to our visitors.

Assembly time for registration is at 06:15 a.m. at **the American memorial park museum parking**, in Garapan.

With this letter, I would like to invite you to join us in our second yearly JSTA clean up drive as our goal is to keep our island clean and beautiful not only for our visitors but also for our community.

Thank you for your time and corporation. We look forward to your favorable response.

Sincerely,

Masaru Sunaga
JSTA President
