March 22, 2011

It is no secret the devastation that has beset the Japanese people after the March 11, 2011 earthquake, the subsequent Tsunami and the on-going aggravation caused by the nuclear threat of the Fukushima-Daiichi Nuclear power plant.

The dual disasters devastated much of northeastern Japan. To date, the country's authority said more than 8,000 people were confirmed dead and 13,000 remained missing as search efforts continued. In Fukushima, authorities have evacuated residents from a 20-kilometer area surrounding the nuclear plant, but the crisis there has sparked concern across the country.

In response to the disasters that have beleaguered the kind people of Japan, we are asking your support in a CNMI wide fund raising by :

1. Placing a donation box at your facility
2. Radio-thon drive on Saturday April 2, 2011 live from the Fishing Base in Garapan starting at 6:00 am in the morning. Walkathon is also scheduled to take place. Registration starts at 4 pm at the Mariana Walking Association's tent
3. Prizes for raffle

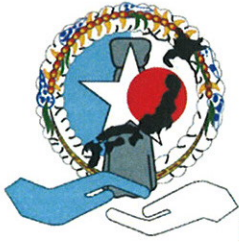

The people of Japan have been very supportive of the CNMI economy for many years and our relationship with Japan stretches over many decades. Our friends now need your help and we are soliciting your assistance in the form of **cash donation** to be presented on this day. Your donation will be acknowledged on KKMP (1440am, 92.1fm, KZMI(101fm) and KWAU(100.3fm).

All donations will be presented to the people of Japan through the Northern Mariana Island's Japan Disaster Relief, a non-profit organization. Please contact Yoichi Matsumura at [matsumura@pdisaipan.com](mailto:matsumura@pdisaipan.com) or 287-8785 for more information.
